Dear OE Wolf Parents,

We hope you have been enjoying your summer! We are already working on the upcoming school year and hope to make this year the best year yet for opportunities for you to be involved in your child's school! We are working on ways to make communication easier and will be available to answer all your questions on getting through your time at Oswego East High School!

---

## Monthly Meetings

Each month the OE Wolf Parents hold a chat session where all parents are invited to attend. Usually the beginning of the meeting will include a brief update from the principal or other administrator from Oswego East. Our meetings are very informal and open forum for discussions on many topics involving life at Oswego East. Our next Wolf Parent chat session will be Thursday, July 13 at 7 PM in the LRC at Oswego East.

## Volunteer Opportunities

We have many volunteer opportunities in the next weeks and months! We utilize signup.com to organize all our volunteer needs and events. Please check your schedules and consider signing up to help us and get involved! This link will get you to all the upcoming areas we need your help. <http://signup.com/go/rof4bp>

**July 10, 11, 12:** Help work concessions for a National Dance competition held at OEHS. We have plenty of students signed up, but **need an adult in each shift.**

**August 9-11:** Schedule Pick Up. Help work the Wolf Parent informational table, promoting our group, fundraisers and items for sale.
